

NO SCHOOL DESIGNATION PARENT NOTIFICATION

July 1st, 2018

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under Georgia's ESEA Flexibility Waiver, certain Title I schools are designated as Reward, Priority, Focus, or Alert schools. The Waiver also allows the use of the College and Career Ready Performance Index (CCRPI), which serves as a comprehensive report card for all schools in Georgia. The CCRPI provides a score between 0-100 for each school, and that score measures how well the school is doing in preparing its students to be successful in college and/or a career.

Johnson County School District CCRPI score is **75.1%**. Johnson County Elementary School score is **77.8%**. Johnson County Middle school **77.1%**, and Johnson County High School is **67.9%**. More information about CCRPI scores can be found at <http://ccrpi.gadoe.org>

We are very proud to tell you that neither of Johnson County Schools has been given a school designation this year, which means we are continuing to provide a quality education to all of our students. Johnson County High School has elected to maintain state monitoring support. The school system continues to study data and make changes based on the data. Academically, the students of Johnson County are doing well in the area of Reading and Mathematics is one of the areas where we would like to show more growth.

In Johnson County Schools, we take pride in the teaching we provide for our children. Our administrators, teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential. Based on each of our schools' designation status, the Intradistrict Transfer Option law does not apply to either school. Since our district only has one school at each level, there is no choice. Additionally, no school is not required to offer Flexible Learning Program (FLP) for supplemental academic services.

An important part of Johnson County School District success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our district and / or school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Charles Howard, JCES Principal (charles_howard@johnson.k12.ga.us) or call (478) 864-3446, Dr. Christopher Watkins, JCMS / JCHS Principal, (christopher_watkins@johnson.k12.ga.us) or call (478) 864-2222, Tecia McKay, Asso. Sup. of Federal Programs, (tecia_mckay@johnson.k12.ga.us), JJ Rowland, Parent Involvement Coordinator (jj_rowland@johnson.k12.ga.us), Regina Lindsey, Parent Mentor for Special Education (regina_lindsey@johnson.k12.ga.us) or call (478) 864 - 3302. Thank you for all that you do to support your child's education.

Sincerely,

Eddie Morris, Superintendent
