Georgia Stem Day – May 5, 2017

By now, most people in education have heard about STEM. **TAG-Ed**, Technology Association of Georgia's education initiative, is partnering with Georgia institutions and STEM-based companies to promote STEM Day participation across the state.

Georgia STEM Day is a day for schools, educators, students, and companies to celebrate, raise awareness, and engage in activities involving **science, technology, engineering, and math**.

Last year's event attracted over 600,000 students from 50 different school districts in the state! This year Georgia STEM Day will be held on **Friday, May 5**.

Johnson County School STEM Day Leaders are: JCES, Ms. Heather Hightower, JCMS, Ms. Cori Fields, and JCHS, Ms. Any Jackson. For more information, contact Ms. Tecia McKay at tecia_mckay@johnson.k12.ga.us.
