

Johnson County

Wellness Goals for SY 2019

1. School Nutrition Program will conduct a student survey of meal satisfaction in April 2019.
2. All physical education classes in district will be taught by licensed teachers who are certified or endorsed to teach physical education.
3. Healthy foods will be taste tested at all school levels by school nutrition program to encourage new food items or healthier versions of food items.
4. Staff and students will be offered annual influenza vaccines at all school locations, as provided by Johnson County Health Department.
5. Students in appropriate physical education classes will be introduced or will participate in state fitness gram testing.
